2016-12-25 11:14:31 by FNolan

One of the most recognized brands in the world, Zippo was founded in the fall of 1932 by George G. Blaisdell in Bradford, Pennsylvania, where it has manufactured over 550 million windproof lighters. With the exception of improvements to the flint wheel and modifications in case finishes, the product remains unchanged and is backed by the company's famous lifetime guarantee – 'It works, or we fix it free'.

**Being American made with a lifetime guarantee you can't go wrong.**
